Dear Mr. Kevin Yeung,

**Re: Request for Non-Chinese Student (“NCS”) Class in Tin Shui Wai**

Community is not only a place for a group of people. It is also a neighbourhood of mutual help. Community Lab aims at gathering creative ideas and opinions from citizens under the guidance of a professional team in the aspects of housing, education, environmental protection, health, sports, community facilities, women affairs and social inclusion.

Jimmy Baljinder and Maxine Yao are our community organizers who are responsible for social inclusion policies. Both have good connections with our local Indians, Pakistanis, Nepalese etc. We received more than 173 non-Chinese students' request for non-Chinese classes in Tin Shui Wai area. According to our survey in June and July 2020, there are more than 159 NCS who live in Tin Shui Wai. More than 50% are primary students. (For details, pls see the chart below). As there is no NCS class in Tin Shui Wai, they need to travel long journeys to Mei Fu, Long Ping and Tuen Mun for education.

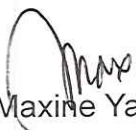

Under the existing social inclusion policy, if the district has sufficient NCS, the government should provide NCS classes in respective level. Tin Shui Wai now has an immediate necessity to have NCS classes in kindergarten, primary and secondary levels.

We cordially hope that your Bureau can arrange NCS in at least 2 schools of different levels in Tin Shui Wai. We are now doing a further study for the preference of existing local schools of these NCS and will report to you later.

Should you need any further information, please feel free to contact our Maxine Yao at 9868 8325 or reply email to [maxine.yao@pathofdemocracy.hk](mailto:maxine.yao@pathofdemocracy.hk).

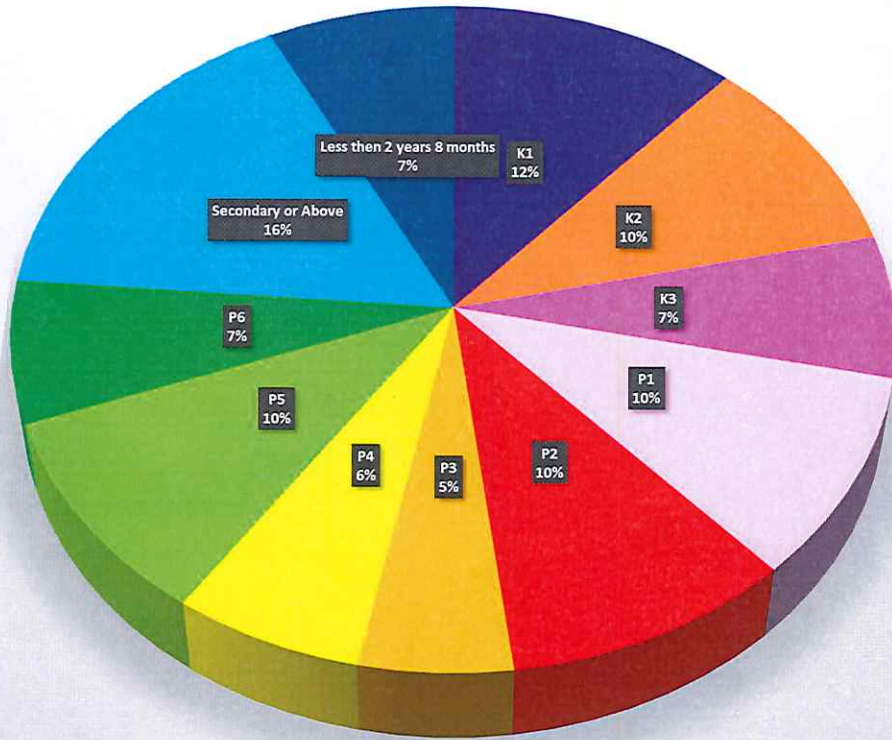

Looking forward to receiving your reply.

Yours sincerely,

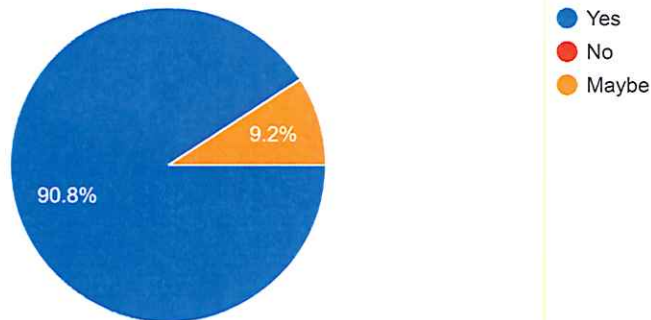

(Maxine Yao)
